

Lowe's Companies, Inc. partnered with Habitat for Humanity India to provide specialized medical equipment to 20 hospitals in Bengaluru through Road to Recovery COVID-19 Response Initiative

Bengaluru, Dec 21, 2021:

Lowe's India provided specialized medical equipment to 20 government medical institutions comprising 18 hospitals and 2 COVID-19 Care Centers in Bengaluru as part of the Road to Recovery 2.0: COVID-19 campaign of Habitat for Humanity India, a nonprofit organization.

Supported by Lowe's through a grant of INR 7,45,05,750 (USD 1,000,000), this initiative aims to augment the infrastructure of 20 medical institutions in Bengaluru, enabling them to provide essential medical care to the marginalized people and their families.

In the first phase, Lowe's and Habitat for Humanity India provided PPE kits, oxygen concentrators, ventilators, digital thermometers, pulse oximeters, N-95 masks and semi-fowler beds with mattresses, pillows, pillow covers, bedsheets and blankets to the medical institutions. In the second phase, onsite oxygen generators, nebulisers, ECG machines, ICU para monitors, portable x-ray machines have been provided to augment the capacity of the hospitals.

"At Lowe's we are committed to supporting our communities. Through this collaboration with Habitat for Humanity India, our aim is to provide swift relief measures in managing the COVID-19 pandemic, including medical assistance to government hospitals in Karnataka, in the most efficient way," said Ankur Mittal, Senior Vice President and Managing Director, Lowe's India.

"We need to ensure the outreach of advanced institutional healthcare to low-income families to boost their resilience in the fight against the COVID-19 pandemic. The collaboration with Lowe's only reiterates our commitment to bolster the critical care competencies of general healthcare facilities of government hospitals in Bengaluru. This will help us place families affected by COVID-19 on a road to recovery," stated Dr. Rajan Samuel, Managing Director, Habitat for Humanity India.

Following are the 20 beneficiary medical institutions provided with specialized medical equipment in association with the Karnataka State COVID Relief Task Force and Bruhat Bengaluru Mahanagara Palike (BBMP):
