Lowe's CSR Interventions 2026-2027: Enabling Inclusion, Opportunity and Sustainability

Overview:

At Lowe's India, we remain committed to creating meaningful social, economic and environmental impact through focused Corporate Social Responsibility interventions. As a Global Capability Center, we seek to build stronger communities by advancing inclusive education, employment-linked skilling, women's empowerment and environmental sustainability.

In FY 2026–27, Lowe's India will contribute INR 6 crore towards CSR initiatives that expand access to digital learning and STEM education for persons with disabilities, strengthen coding and quality education in government schools, and enable employment opportunities for underserved youth. Our programs will also promote financial literacy among underserved women and BBMP Karmacharis, while advancing sustainable infrastructure, solar-powered community projects and lake rejuvenation efforts.

Through partnerships with mission-aligned organizations, Lowe's will continue to support inclusive growth, equip young people with future-ready skills, and encourage responsible stewardship of natural resources.

These interventions reflect our commitment to helping communities build resilience, unlock opportunity and move toward a more equitable and sustainable future

Lowe's will contribute INR 6,00,00,000 in FY 2026–27 to strengthen its commitment to inclusive education, skill development, women's empowerment and environmental sustainability, while expanding its community impact through strategic CSR initiatives.

Highlight:

Lowe's CSR Highlights 2026–27

In FY 2026–27, Lowe's will deepen its commitment to inclusive education, employment-linked skilling, women's empowerment, and environmental sustainability. Building on the progress of previous CSR interventions, the year's initiatives will focus on enabling equitable access to quality education, digital literacy, STEM learning, and livelihood opportunities for underserved communities.

Through partnerships with experienced non-profit organizations, Lowe's will support digital and coding education in government schools, strengthen sustainable school infrastructure, and provide skilling support to underserved youth toward job placements. The programs will also advance financial literacy for underserved women and BBMP Karmacharis, while creating inclusive learning opportunities for persons with disabilities.

Lowe's will continue to prioritize environmental stewardship through lake maintenance at Hunasamaranahalli and Chikkajala, solar-powered projects for tribal hamlets, sustainable infrastructure in government schools, and community-led plog runs. These initiatives will help strengthen natural-resource conservation, environmental awareness, and sustainable community development.

In FY 2026–27, Lowe's will contribute INR 6,00,00,000/- towards CSR initiatives, reinforcing its commitment to building resilient, inclusive and sustainable communities.
